Hello;

I would like to take the opportunity to introduce myself as the newest staff member at M'Wikwedong Native Cultural Resource Centre.

My name is Joyce Jones and I have been selected to cover the maternity leave for Tashynna Nault, Life Long Care, CSW, whom I'm sure a lot of you are familiar with. I am from Cape Croker, Chippewas of Nawash First Nation and have worked in the Health field for over 20 years.

The Life Long Care Program is designed to assist Urban Aboriginal people and other referrals living in the area, with services that will make it possible for them to remain independent and continue to live in their homes. The Life Long Care Program also makes every attempt to provide services with an emphasis on traditional Aboriginal concepts and cultural beliefs.

Although I have only been in the position a short while, I am impressed by the services that the M'Wikwedong Centre offers and would be pleased to meet with you and your organization to discuss how together we can work towards making life more comfortable for some of the area's residents.

Please feel free to call and we can set up an appointment to meet.

Miigwetch,

Joyce Jones, CSW
